

# Duroject Combipack

## Duroject Injection Hose Combipack

Duroject is an economical injection hose for planned sealing of construction joints. Duroject enables a controlled injection of the construction joint and thus reliable waterproofing. It is designed to deliver resin and microfine cements.

The Combipack includes the Duroject Hose and accessories for an installation of over 650 lineal feet in a typical application. The pack includes:

DUROJECT-hose	656 ft.
PVC-hose fabric reinforced, transparent	32 ft.
PVC-hose fabric reinforced, green	32 ft.
Shrink-on sleeves	13 ft.
Connecting nozzles	6.5 ft.
Closure plugs	50 pcs.
Rapid glue	1 bottle
Fastening Clip, 40/12	1000 pcs.
